

# CLARK COUNTY TRANSFER STATION FACT SHEET

## Who is Rumpke Waste & Recycling?

Rumpke Waste & Recycling is a family-owned and operated company and has been in business for over 90 years. The company serves more than 1.9 million residential, commercial and industrial customers throughout the United States, including 500 municipalities and public entities. The company owns or operates landfills, transfer stations and recycling centers in Ohio, Kentucky, Indiana, Illinois and West Virginia. With a fleet of nearly 3,000 hauling vehicles and a workforce of approximately 4,000 employees, Rumpke is a leader in solid waste and recycling solutions.

## About Rumpke's Clark County Transfer Station

3580 S. Dayton-Lakeview Rd., New Carlisle, OH 45344

- Rumpke is proposing building an \$16 million transfer station in Clark County.
- The facility will provide expanded recycling capabilities and waste disposal solutions for residents and businesses in the region.
- The facility is expected to be operational in 2025.

### Facility Operations & Capabilities:

- Rumpke's Clark County Transfer Station will serve as an integrated trucking, municipal solid waste transfer and recycling drop off facility.
- The site will include a small truck terminal and administrative office.
- Recyclable material, such as cardboard, plastics, metal and glass will be processed and transported to one of Rumpke's recycling facilities for further processing.
- Waste will be consolidated and transported to one of Rumpke's landfills for disposal, every day.
- All material handling operations will be performed within an enclosed building, and no waste disposal will occur at the site.

### Facility Operations Provide:

- Essential infrastructure
- Convenience and accessibility
- Increased environmental sustainability
- Job creation & economic stewardship—estimated 45-65 full time jobs at full build out
- Increased service options at competitive rates
